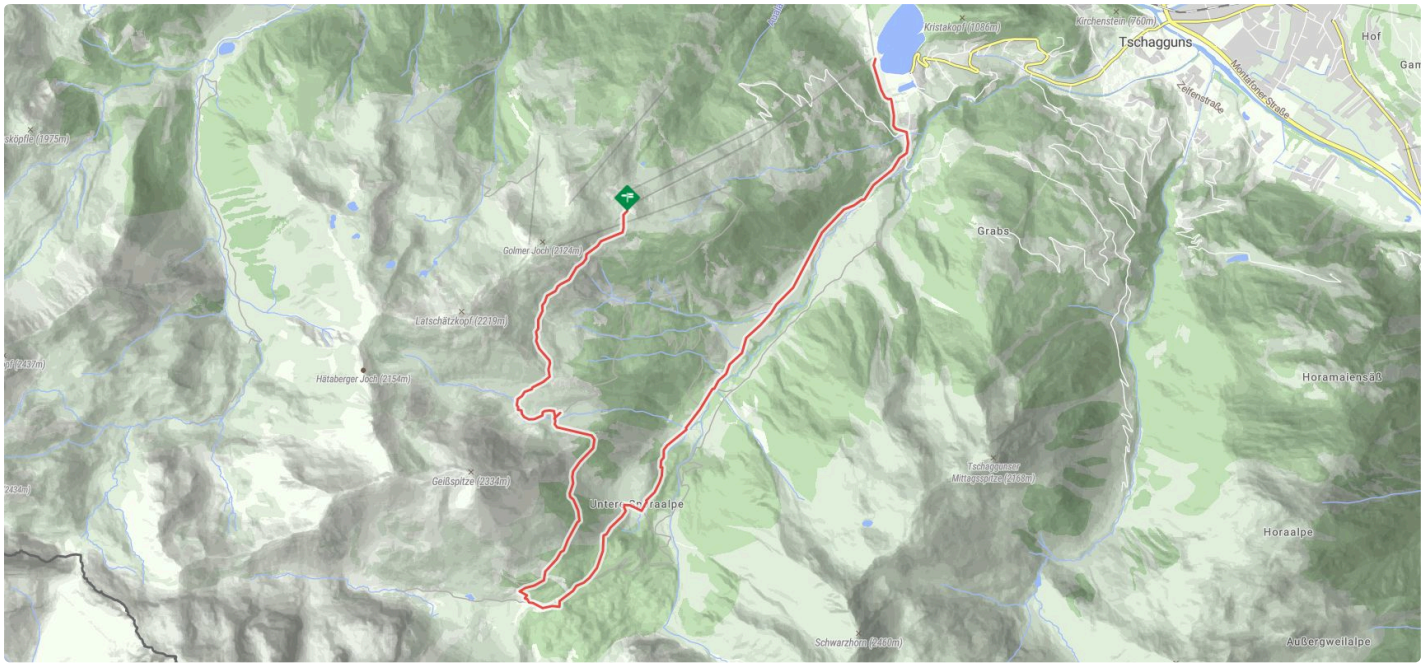
Gauertaler AlpkulTour

MODERATE | ALPENMOSAIK - RÄTIKON | ALPENMOSAIK | LIFT ASCENT/DESCENT | REFRESHMENT STOPS



Tour description

The Gauertaler AlpkulTour combines art, nature, and Alpine culture, taking you past 13 artistically designed stations through the impressive alpine pasture landscape of the Gauertal Valley.

Along the themed trail, you'll encounter 13 installations by Montafon artist Roland Haas. These unusual objects explore themes related to alpine culture, three-tiered agriculture, mountaineering, natural hazards, and life in the Montafon. They invite you to view familiar ways of life and work from a new perspective.

QR codes and the "Muntafoner Originale" guide you through the individual stations and tell the story behind the installations. The landscape around the Gauertal valley—with its striking Three Towers, traditional alpine pastures, and cornfields—serves as the backdrop for this artistic exploration of the Montafon cultural landscape.
