Directions

The route starts in the center of Vandans and leads slightly uphill along the Zwischenbachstraße. Then a footpath branches off to the left; follow this until you reach Rellstalstraße. Walk along the sidewalk, slightly uphill, then turn left again to continue on the hiking trail. You cross the Mustergielbach and reach the Innerbach area. At the old herb drying factory, walk through the meadow slightly uphill to a small rise. There stands the Bildstock Granna, where you can enjoy a great view. Then continue through the forest along the Aualatschbach uphill to Landschisott. Arriving in Landschisott, the last part goes on the paved road to the Golmerbahn. Along the forest edge, follow the Lünerseewerk to Hotel Montabella. There you walk a short section along the paved road again. On the Aquaweg, continue to the Rasafeibach, where you find the old sawmill of Mülli-Ferdi. After crossing the rushing Rasafeibach bridge, turn left onto the gorge trail. Along the brook, hike through the forest uphill to Lochmühle. On hot summer days, the gorge trail offers a pleasant and cool hike. Arriving at Lochmühle, walk a short stretch slightly uphill on the road. In the left curve, turn right onto the hiking trail and follow it. Via the Nira and Kirchensteinweg paths, you reach the town center of Tschagguns.
